**Golf Shop Hours: Monday - Sunday 6:30 am-6:30 pm**

Summer begins on the 21<sup>st</sup> of this month. It's gonna be HOT! So be prepared by wearing appropriate clothing and plenty of sunscreen. Also, make it a point to stay hydrated with water and maybe keep a cool damp towel handy to wipe your face and neck. If you take the proper precautions, you can still enjoy plenty of golf this time of year.

The golf course has been in really good shape lately. Many of you have commented on the greens in the past couple of months. Ty and his crew have been working hard to provide playing surfaces that are enjoyable to play so, the next time you see one of the guys around the clubhouse or out on the course, let them know how much you appreciate their hard work.

We have just about completed the renovation work on the clubhouse that we had planned for this year. It's really looking good and we are beginning to market our facility for private parties and meetings. If you are looking for a room to rent or know somebody who is, refer them to JJ or Sharon to talk about terms and scheduling of their event.

Reminder – If you find yourself over in Foley, AL, look for our par 64 course, Gulf Links Golf Center on Hwy 59 just south of the outlet mall. It's a fun course to play and we have spent loads of money and time renovating. It only takes a couple of hours to play so, if you're not in the mood to shop, you can play a quick round and meet the rest of the family when they're through shopping.

### CONGRATULATIONS!

One of our long time regular golf customers had his first hole in one recently.

Dean Sternke aced #16 on Saturday May 13<sup>th</sup>

He hit a 6 iron from 154 yds. Michael Albright witnessed the shot.
