10/29 The 7 Project

Outing 12:00 pm Shotgun

A NOTE FROM OUR MANAGEMENT

Happy Fall, Y'all

Well, you are probably ready for a change in the weather as much as we are. We have never seen weather like we had this summer. It was wet and hot from the first of June through August and into September. Luckily, we just had a cold front come through that lowered temperatures and kept the first hurricane threat of the season pushed to the east, and we are experiencing beautiful weather now. We hope you will make plans to take advantage of the weather change and come out to play often this fall. Please continue to make your tee time through either the website or by calling the golf shop prior to arriving. We have several events being played at Tanglewood this month as well as high school golf matches so make those tee times to prevent schedule conflicts. Check out our Facebook page for events that might interest you! Along with golf events, we are still hosting food trucks every other Wednesday evening through the end of the year. Diane has done a spectacular job in organizing and scheduling various types of food to be served. Our crowds are growing, and customers are happy to let someone else do the cooking, socialize, and even enjoy an adult beverage or two. You can find food truck info on our social media pages and in the Golf shop! Sharon and I look forward to seeing you soon!

-JJ Dunn

MEMBER *highlight*

"Mike and Sharyl Sheftz were destined to celebrate half a century of marriage with wooden tees in their pockets and putters in their hands."

Our Members, Mike and Sharyl Sheftz completed their 50 state golf journey on Friday, September 9th at Quail Ridge Golf Course in Baker City, Oregon. At the start of 2022, the couple had just passed the halfway mark. Great job Mike and Sharyl! We can't wait to see what you two do next!

Have a story or accomplishment you'd like highlighted?
Send it to jane@tanglewood-golf.com
